Other Information

Your application should include the following:

- A letter of recommendation from your academic sponsor. This letter should be handed in directly to the address above.
- A second letter of recommendation. This letter can come from another faculty member or possibly an outside source (eg., supervisor from a summer internship)
- A two-page statement that covers the following three areas: 1) A short description of your career goals. 2) An overview of your research experience and how it prepared you for this program. 3) A description of the research you plan to undertake if accepted into the Fifth Year Master's Program.
- A Carnegie Mellon transcript. An unofficial copy of your transcript is acceptable
